

We understand precious assets

Collectibles Insurance

Collectibles is a special policy designed for retail, wholesale and manufacturing jewellers, diamond and art dealers and collectors of rare and valuable things.

It is often difficult to attach a price to rare and lovely things. Whatever it is you hold dear, whether you are a retail, wholesale or manufacturing jeweller, diamond, art or antique dealer, Zurich's Collectibles policy is just what you need.

Why Collectibles?

The Collectibles Policy has been developed in collaboration with experts in the jewellery and precious assets industry. We have developed an all-in-one policy that covers stock, business, domestic and motor vehicles. You can tailor it to cover your individual needs, choose payments that suit your pocket and have access to personnel experienced in your industry.

Key features

- Fire
- Theft - options available:
 - burglary - after hours stock locked in a safe
 - burglary - after hours stock not locked in a safe
